2. If elected, what are your goals for this office and what would you like to achieve in this position?

- Financial Oversight, Improve Services, Invest in Science and Education as appropriate for the District, for the SPECIFIC BENEFIT of MOSQUITO CONTROL for the residents and businesses in St. Johns County. Keep taxes low by finding alternative funding sources and increasing efforts in Federal and State grant writing, and creating a more defined 5 year Strategic Capital Plan that matches the current and forecasted growth of St. Johns County residential and commercial areas.

3. What is your vision for the County?

- The County population is growing, which means there is an immediate burden on existing and aging infrastructure and residential/commercial services. As a resident of the County, I want to help leadership balance the growth with the need to keep high standards of services, education and opportunities to keep St. Johns County a Great County and highly preferred place to work, live and raise a family.
